## October 5 is World Communion Sunday

Christians around the world celebrate communion on the World Communion Sunday.

World Communion Sunday is a call to the Church to be the universal and inclusive church, observed by Presbyterians a day to be celebrated by the Federal Council of Churches in 1940. Shortly thereafter, adopted the day in their church calendars.

This has become a time when Christians in every culture break bread and pour the cup as the Head of the Church. On this day, we remember that we are part of the whole body of believers.

Christians celebrate the communion liturgy in as many ways as there are congregations. Our worship committee has planned a special worship service that will remind us of the world-wide nature of our faith.
