Pastor's Pen

The Extraordinary in the Ordinary

*When she had said this, she turned around and saw Jesus standing there, but she did not know it was Jesus. Jesus said to her, "Woman, why are you weeping? Whom are you looking for?" Supposing him to be the gardener, she said to him, "Sir, if you have carried him away, tell me where you have laid him, and I will take him away." Jesus said to her, "Mary!" She turned and said to him "Teacher." **John 20:14-16***

When you read the accounts of Jesus appearing to his disciples, including the women who were among his closest followers, you cannot help but notice the strangeness of the stories. Jesus finds his way into locked rooms. He appears suddenly and is gone just as quickly and mysteriously. Among the remarkable and somewhat baffling features of some of these stories is that those who knew Jesus best don't recognize him right away.

Here, in John's gospel, Mary hears Jesus, but apparently does not recognize his voice. She looks at him and supposes him to be the gardener. How odd. It is when Jesus calls her by name, "Mary," that she recognizes him.

Rather than simply odd features of the stories of Jesus post-resurrection appearances, these mysterious details may have something important to say to us about our lives as followers of Jesus today.

Where do we find Jesus in our lives today? Traditional answers may include: during worship, studying the Scriptures, during prayer. We may say that we find Jesus in ecstatic or mystical kinds of experiences, if we have them. What if the risen Christ is as likely to be encountered in some of the ordinary events of our day, if only we can see with fresh eyes? Might we see something of Jesus in the people we meet every day? What if every person has something of the light of Jesus inside her or him? Maybe we only see this as we open ourselves to others, to their stories. Maybe we only see this as

When making reservations just ask for the special rate at these hotels in Duluth: The Inn on Lake Superior, Edgewater, Days Inn-Lakewalk, Best Western in Superior, and the Downtown Duluth Motel on West 2nd Street.

we help others be the best they can be. Might the voice of Jesus be calling our names not only in experiences of worship or study or prayer, but also through the voices that ask for our attention and care?

We believe in a risen Christ, and I think that means we look for Jesus in the ordinary events and in the ordinary people of our everyday lives. The resurrection is not something simply to be believed, it is something to be lived.

Church council approves moving forward with capital campaign

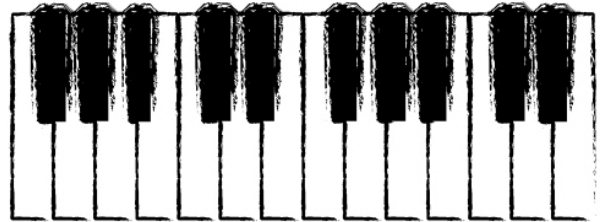

Following a thoughtful discussion, the church council voted March 10 to enter into an agreement with the Minnesota United Methodist Foundation to conduct a capital campaign. Val Walker, Executive Director of the Foundation, will be our chief campaign consultant.

The proceeds from the sale of the Chester Park UMC church building and another recent significant bequest give us a unique opportunity, as we near the fiftieth anniversary of our ministry here at the Coppertop on the Skyline, to do some necessary work for our next fifty years of ministry.

We anticipate kicking off the campaign on Sunday, April 12 and concluding with a commitment Sunday celebration on May 17. While more information will be coming to you soon, it is never too early to ask for your prayers for this campaign and for the ongoing ministry of our congregation.

Organ Plus Concert is April 26

The next and final concert in FUMC's 2014-15 concert series is an "Organ Plus" concert on Sunday, April 26 at 3 pm. This concert will feature repertoire composed for organ and a variety of instruments.

organ plus

Both of First UMC's pipe organs — our sanctuary organ built by Austin Organs and our chapel organ built by local organ builder Dan Jaeckel — will be used in this concert. Musicians involved include Velda Bell, Parker Hinnenkamp, LeAnn House, Shelley Gruskin, Jenna Mattson, Nikki Hill, Shark Kishida, Jeff Finlon, and Rebecca, Kevin, Josie, and Josh Peterson.

Mark your calendars. You don't want to miss this concert!

Shiny Paper Fundraiser

First UMC continues its shiny paper collection. Our Finance Committee has been coordinating this project and thanks to all those who have helped with it. Thanks, too, to all of you who have saved your paper and brought it to the church. Keep up the good work. All proceeds from the shiny paper collection support the ministries of First UMC through its budget.

Evening Bible Study to begin April 15

Beginning Wednesday April 15 Pastor David will lead a Bible Study on the New Testament book of Philippians. The study will be held weekly in the Fireside Lounge from 5:30 to 6:15 pm. This will give participants time to head down for the Wednesday night meal if they choose to do so. The Philippians study will meet weekly through May 20.

April's Faith and Film brings us *The Hundred Foot Journey*, starring Helen Mirren. Mirren plays a chef at a well-regarded French restaurant who is upset that an immigrant is opening an Indian restaurant a mere 100 feet from her own. It is a film about dreams and about differences being bridged. The film is rated PG and will roll at 6:30 pm April 26 in the downstairs movie room.

The Church Council will meet Tuesday, April 14, beginning at 6 pm in the Fireside Lounge. Please note the time change for council meetings.

Ruby's Pantry this month will be held Thursday, April 16. Volunteers are needed to greet our guests, prepare food for distribution, and share the food with them. You may volunteer anytime between 3 pm and 8 pm and can come for as little as an hour to help out. Ruby's Pantry Coppertop is now on Facebook. "Like" the page at www.facebook.com/rubyspantrycoppertop.

Weekly confirmation classes for eighth and ninth grade youth continue each Sunday morning at 8:45 am in Club Wesley. Sunday, April 26 will be for the ninth grade students only. David and Julie Bard are the teachers. Confirmation Sunday will be May 10.

The First and Ten Men's Group will meet on April 13 and 27. First and Ten is a group for discussion and service, and is open to all men. In April we will consider summer service opportunities as well as spend time in good conversation.

From the Parish Nurse: Water is Life

This month I will be volunteering at the third and fourth grade health fair, being held in the Social Hall during the week of April 20. My partner and I will be responsible for the International Health Awareness area so I thought it would be good to talk about the importance of clean water and access to it.

Every March 22 is United Nations World Water Day. This day marks the need for new infrastructure to help ensure efficient delivery and access to clean and safe water as water demands continue to grow across the globe.

While clean water is essential for a healthy human life, 1.1 billion people lack access to water. By 2025, it's anticipated that two-thirds of the world's population may be facing water shortages.

Water is at the core of sustainable development. Water resources, and the range of services they provide, form the basis of poverty reduction, economic growth, and environmental sustainability. From food and energy security to human and environmental health, water contributes to improvements in social well-being, affecting the livelihoods of billions.

Each American uses 7,500 liters of water per day—mostly for food. One liter of water is needed to irrigate one food calorie. Inefficient water use can mean 100 liters are used to produce one calorie. Irrigation takes up to 90% of water withdrawn in some developing countries. Globally, agriculture is the largest user of water, accounting for 70% of the total withdrawal.

Pressure on fresh water sources will continue to increase as we face climate change, increased urbanization, increased food production needs, increased need for energy. Our current practices for energy production, and food production are unsustainable.

Please take time to think how precious our water is and what can be done to keep it as clean as possible. *Linda Wiig, Parish Nurse*

The other area we are asking for your help is in providing bed and breakfast for the executive board, which will consist of 20 women who will be coming on Friday.

Please consider this event, and if you will be willing to help, watch for future announcements as we get closer to the dates. We have begun planning and already see these needs, hence the early request.

Contact Marilew Barnidge at 724-0839 or randmbarnidge@aol.com if you have questions.
