2019***

First United Methodist Church

The Coppertop

Duluth, Minnesota

Dear Friends;

I hope this Opportunities Booklet provides a helpful way for you to know about all that is happening in, and through, First UMC—The Coppertop. Please read through it, praying for all our ministries, and seeing where God piques your interest and guides your heart. If there is a ministry you are aware of that we have missed in this booklet, please accept our apology and let Anne Gustafson, Director of Operations, know and we will include it in the next printing.

It's a blessing that we have so many classes, small groups, ministries, and mission and social justice opportunities offered through our church. You will often be invited to participate in a variety of ways. Always feel free to say “no” to areas where you don't have interest or feel God's calling, so that you have energy and time to say “yes” to those areas where the needs of the world and your heart connect.

Please feel free to take additional copies of this booklet to give to others who are not currently part of our congregation. We want to invite the community to join us in mission and ministry.

I am so thankful for our church—for the love we have for each other, for our desire to welcome all people, and for the way we partner with our community to make the world better. I am so thankful for you! God's blessings be upon you!

On the journey with you,
Pastor Jeanine Alexander

Fall Book Study

Our Fall book study will be a five-week discussion of *The Road Back to You* by Ian Morgan Cron and Suzanne Stabile. This book has the potential to open your eyes to your own personality and help you

zero in on your own unique strengths and weaknesses through the lens of the Enneagram. The Enneagram is an ancient personality type system (similar to the Myers-Briggs Personality Inventory, but with an additional spiritual component) that describes with uncanny accuracy how human beings are wired, both positively and negatively. Knowing about your Enneagram type can be transformational in your relationship with yourself, with others, and with God.

Sign-up sheets will be available in mid-August, and books are available for purchase (suggested donation \$15). Classes will be facilitated by Rev. MaryAnne Korsch and will rely on practical information, relevant illustrations, and discussion.

Dates: Monday nights, September 16, 23, and 30; and October 7 and 14

Meet the Missionaries

*A Conversation with Ardell and Gordon Graner
Monday October 28, 5-7pm*

Since 1992, our church has supported missionaries Ardell and Gordon Graner, first in Bolivia, and for the past several years in the Dominican Republic. We are thrilled that they are visiting supporting churches in the US this fall. They would like to meet as many of us as possible to say thank you and tell us about what they are doing in the Dominican Republic. You are invited to come and meet them over a potluck meal, hear about their solar oven and other ministries, and engage in an open discussion with them.

Sustainability Group

The FUMC Sustainability Group will meet in the Library right after the service on Sunday, **September 15**. Short meetings (less than one hour) are held on the second Sunday each month, right after the service.

All are welcome to this enthusiastic group that works (and plays) together towards making our church more sustainable and responsible in terms of care for the environment. Accomplishments over the past year include switching to china or compostable dinnerware, reducing or eliminating the use of polystyrene and plastic, composting food waste and other organic materials, and

changing from plastic to fabric or oilcloth tablecloths. We also ask outside groups that use our church facilities to follow these same practices.

Confirmation

First year—7th & 8th grades

(this year we are moving the start of confirmation to 7th grade, so for one year we will have a class of 7th & 8th grade students)

Second Year—9th grade and any high school students who haven't been confirmed

Important orientation for all students and parents. Please attend one of these orientation meetings:

- Sunday, September 8, 11:30am-noon (Fireside Lounge)
- Wednesday, September 4, 6:30-7pm (Fireside Lounge)

Confirmation at FUMC is a two-year spiritual exploration with the purpose of providing our young people a safe, nurturing environment to connect with God, the church, each other, and themselves. It is a time for them to build a spiritual foundation for their lives. For some, it is the beginning of a journey of faith; for others, it is a continuation of that journey. It is an opportunity to actively think about what they believe and why. It is a time of questioning and discovering. Pastor Jeanine and the other confirmation leaders are looking forward to spending time with you as we travel this journey together!

Over the two years, students will reflect on key Biblical stories and teachings. The youth will explore science and Scripture, talk through social justice issues, and look at how Scripture is both human and divine. Young people will discover how to connect their faith with their daily lives and will explore what it means to be a United Methodist Christian.

You will receive additional information by email and in the mail.
