Scripture Reading

Kiana Langdon-Larson and Grace Abbott

James 1:22-27

You must be doers of the word and not only hearers who mislead themselves. Those who hear but don't do the word are like those who look at their faces in a mirror. They look at themselves, walk away, and immediately forget what they were like. But there are those who study the perfect law, the law of freedom, and continue to do it. They don't listen and then forget, but they put it into practice in their lives. They will be blessed in whatever they do. If those who claim devotion to God don't control what they say, they mislead themselves. Their devotion is worthless. True devotion, the kind that is pure and faultless before God the Father, is this: to care for orphans and widows in their difficulties and to keep the world from contaminating us.

Keeping attendance and making sure the church has your current contact information is an important part of the church records. **On the back of the card**, you will find a list of ministry opportunities, places where your help can make a difference! These opportunities will change often, so check them out each week and please sign up where you can.
